Dear Mr Chapman.

Your letter of the 13th
was sent on to me in London.
and I am just off back
after 3 days stay here. and
do not expect to be home
again for a fortnight.
Before starting must write
in reply to yours. The prices
at Shepherd & Montagu^{estd}
sales are no guide whatever
to ordinary values. Many
of the Cairns being pedigree
pieces & making fancy

prices. Ordinary fine
corns also run up often
to tremendous prices owing
to the Campaign they are in,
& are bought by private
buyers who presume on
general high rates that
they must be worth it.

Afterwards they find out
their mistake. If you
care to send me the far ~~far~~ ^{Dollar}
_{at 6.15/6}
I will try & sell it for you
but there are at high water
mark & I do not buy for
stock at or near prices they
sell at occasionally.

Have nothing that I
can think of likely to be

of use to you. Cannot
say what the rocks behind
penny of for I would
make - probably 4 for 5 if
it depends who is in the
bidding. The last sold
was false in my opinion.
I forget now what it made
will try & sell it if you
will send an & fix your
price. What are the Congo
Be states sub each, & of
what do they consist,
also prices for Honduras Cents.

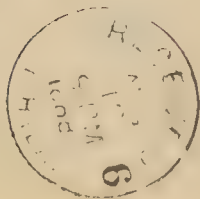

Your post card rec'd today
will attend to small package
if sent from Lincoln.

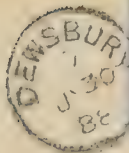

Cannot supply the
Ser II pieces you refer
to. Excuse haste

Dear Friend Chapman

Your post card
of 27th not duly
received. I am
sorry to hear that
the weather is
so bad here. I hope
you are well.
I am sure your
kind regards are
much appreciated by
all of us. I am
not sure if you
could
not buy them better

at auction here.

I am however willing
to meet you in the
matter of price and
in order to induce
you to make a liberal
selection from my
inventory I will ^{the} offer
you a special
proposal of 10%
discount off invoice
prices -
Some I have duplicate
of others I have only

able to replace
at, or near similar
prices. You know
I buy carefully for
stock, & you may rely
on value being right.
The business part of
the matter is to have
all your own stock
sold at once -
from time I offered
cheap prices - A good
crown sold to day. Not
better than what you
have 12 sp - 1716. made
4' 2-6 & better one selling
- 10 pence each

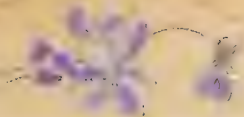

last year for \$15.00 certainly
an absurd price but I remember
the Coin being sold for \$10 the top.
We are having a large sale this
week. Nothing to report.
I trust you are well and
business is well
just now. I shall be thankful
to get back to your quiet hill
top. With much respect

I have received your

so little as you can

as the time is very -
I will charge it 13 fr

I have another which cost
me 14 fr & this is about

You will have thought me

do you get any Compensation

Dear Chapman

I could have
sent enclosed list
to you for delivery
by 6 30 post last night
but did not know full
postal address of the
Waverley Hotel. I have
found it very difficult
to decide what to name
on list but should
there be any you would
like to see I shall be
pleased to send you

to any address you
please to name either
now or when you are
next in London. I have
scarcely any American
coins to offer you as I
never attempt to bring
them in London and it
is only by chance I
get any.

Have dollars of 1695 &
a few oak leaf pieces
including 5 and 2 and
generally fine.

Copper cents of 1696 & 7,
a box cent ~~see~~ culting
and a Carolina 1/2 piece

which I have had for
several months on appo-
& which I have intended
letting you see a copy
of it. Emma knows they
have been selling well
over 100 ea in London
sales. This is not fine
as you can see by enclosed
I hope you have done well
at the sale which is raising
its conclusion. Will send
this to you C/o of J. Phillips

Dear Chapman,

Thanks for your
note with coins on apper.
I presume you noticed
my remarks ^{& price} re Pattern
thread after sending your
letter off. I hope you
will turn the U.S.A. Coins
to profit. I lose money
on the parcel. Keep
the Canadian at 20p. They
cost me more than three
times that sum. Am sorry
I cannot help you to clear
the coins you have sent,
and would advise you

to take them home again,
as surely you will have
a better chance of placing
them in time than here.
Colonial I do not buy
at any price - nor the
pattern paintings &c in Silas.
Mundochs (2) of Mr Murray
as yours, but fine state
sold for 32/- . The mark
are common altho fine -
one of the pennies is a restrike.
I can sell you 4 as fine
as yours for 16/- . I can also
sell you a better stuck
1/2 soo for 30/- . Please
note the give this type with
Young face to Edward St,
altho it bears his Father's
name Stevens. With the

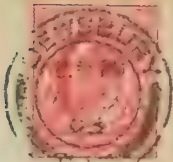

exception probably of
one piece the Fullartons
are all restrikes, not
more than 35 years old
probably. There seems to
be no settled value
for these pieces - I hold
a number, but never
sell any. I would clear
the lot of 9 pieces at 3/10/-,
or give you 20/- for one
of them (the 7/-) Mundoch's
lot sold in his Scotch sale.
The 7/- crown in pentecost,
an original impression
with 2 varieties of the 6
I bought for 8/-, and
his silver 7/- or 7/- and 6
with 2 copper pieces
sold for 39/- each 1/-

2/- for the of- same as
in his ltr. You need
not trouble about the
Chalmers shilling, but
return it. Thank you all
the same. If you have
offered it before this
reaches you I will take
3/- for it or have it back
I keep back the rest of the
part 1/2 of 100th and
the Fullarton's note I
have had your reply
re the latter. Will then
send on Invoice up
to date. You can square
the ofc when you get
home. The registered
letter will reach you
on Monday night. Please
send me your address for after
Christmas. Yours truly
